

Learner Self-reflection – 24353 (v2) Demonstrate knowledge of and create sketches and drawings for BCATS projects

Student name:

1. Sketch and render a pictorial view of the bowl shown below.

2. Produce a pictorial sketch of the blanket box, shown to the right. Modify the design to show a solid plinth (base). The box is 750mm long x 400mm wide x 450mm high. Add these dimensions to the sketch.

3. The box has dovetail joints. Sketch a corner joint in exploded view and include at least two dovetails.
