

BCATS

BUILDING, CONSTRUCTION
AND ALLIED TRADE SKILLS

Knowledge Assessment - US 24357 (v3) - Receive instructions and communicate information in relation to BCATS projects

Student name:

1. List three things you would expect to learn about in a toolbox meeting.

1.	
2.	
3.	

2. There are a lot of questions you could ask a client when preparing to make their coffee table. List at least three of them.

1.	
2.	
3.	
4.	

3. Below are some questions you might ask someone during your work day. Tick or highlight which of these questions are **OPEN** questions.

What type of wood are you planning to use?

Are we working on the kitchen today?

What is the quickest way to get to the hardware store?

Can I drive your ute?

Where are you going to find the time to complete this project?

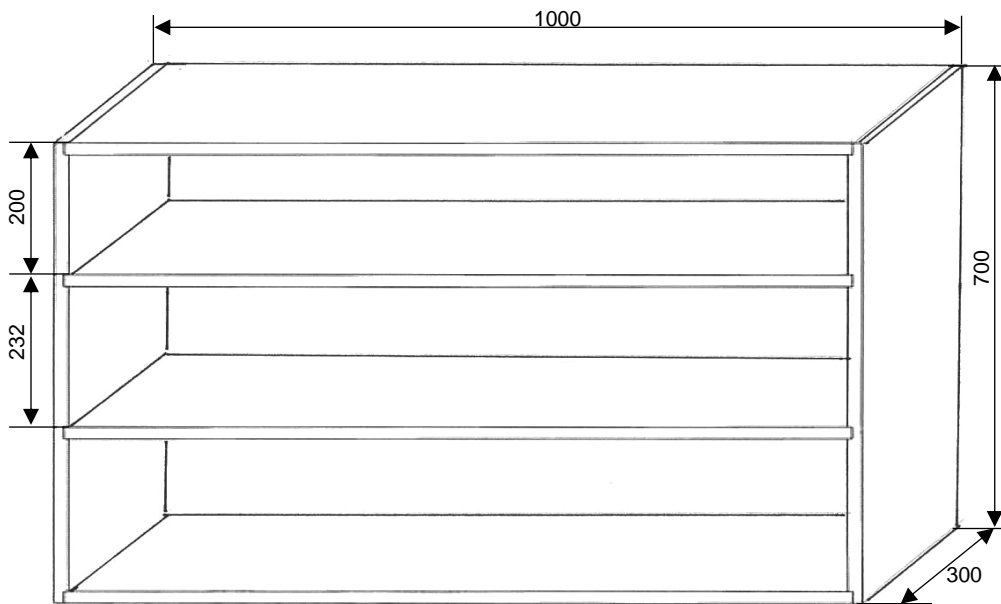

How do I go about buying a home like this?

Did you bring your lunch today?

How can I help you?

4. This project is to be fitted into an existing wall cavity. Below are the job specifications.

- The shelf is to fit into an existing hole 1000 wide x 700 high x 300 deep.
- Material to be used is 18mm radiata pine.
- All joints are to be rebated 6mm into the sides.
- All measurements in mm.

5. Do you have enough information to complete the cutting list?

6. Other information is needed to complete the project. List three questions to ask.

1.	
2.	
3.	

7. Complete the materials cutting list.

Part	Number of	Length	Width	Thickness	Total length
Top	1				
Bottom			300		
Sides		700			
Shelves				18	

8. If the radiata pine is not available in the sizes you have ordered, what are three questions you could ask the supplier to ensure that you can start the project as soon as possible?

1.	
2.	
3.
