Level 2

4 credits

Skill Standard 40559 (v1)

Identify employment opportunities in BCATS industries

Learner name: _____

BCATS project: _____

BCITO
He Hunga Hanga Mātou
building people

Assessment: BCATS careers

Learner instructions

This assessment is about exploring career opportunities in BCATS industries.

You need to show you can evaluate BCATS industries based on your strengths and career goals.

You will need to provide the following evidence to support this. Submit it using myBCITO or the process at your school/organisation.

Your evaluation of different BCATS industries.

It is a good idea to use the assessment checklist in this resource to keep track of the evidence you have collected.

The grade you are awarded will be based on your ability to thoroughly evaluate and reflect on career opportunities in BCATS industries.

Research BCATS industries

For this assessment activity, you need to research BCATS industries you are interested in and decide if they are suitable for you as career options.

You need to show you can evaluate your chosen BCATS industries, focusing on these things.

- Roles, responsibilities, and work required.
- Training and employment pathways, and critical skills needed to be successful.
- Potential clients and relationships within and between BCATS industries.
- Your goals and strengths, and decide if a career in the industries you've researched is suitable for you.

You should present your research findings in a format as agreed with your teacher.

Provide a copy of your evaluation as evidence.

Assessment checklist: BCATS careers

To be completed by the learner and the teacher.

Assessment activity	Evidence needed	Date all evidence collected (Learner to complete)	Teacher sign-off
Research BCATS industries	Copy of your evaluation.		[redacted]
